- Waterfall edge on worksurfaces
- Interchangeable lock cores
- Ships fully assembled
- 3/4 extension box drawers
- Mitered drawer fronts
- Meets or exceeds ANSI/BIFMA and ISTA performance standards

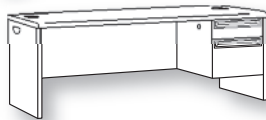

Handsome Contemporary Design.
The broad selection supports any environment – from management offices to team clusters.

38000 Series Wire Management Advantages

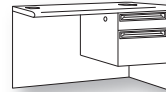

- A** Multi-cable pass-through in end panel allows cables to pass between adjacent desks.
- B** Cables can be concealed behind removable outer panels of stack-on storage units*.
- C** Inner walls on stack-on storage units have grommets to accept electrical cords.
- D** Stack-on storage mounts securely to desk through cable grommets without drilling into worksurface.
- E** Standard desktop grommets facilitate easy and neat wire management.
- F** Wire trays are located behind box drawers.
