January 1, 2011**

**Supercedes HON  
List Pricer dated  
July 1, 2010**

## HON LIMITED LIFETIME WARRANTY

The HON Company promises to repair or replace any HON brand product or component that is defective in material or workmanship for as long as you, the original purchaser, own it. This is your sole and exclusive remedy. This warranty is subject to the limitations, exclusions and other provisions below. It applies to product manufactured after January 1, 2011.

The *basyx*™ and Bevis product is covered under a separate warranty; please refer to HON Company policy 02-MKT-022 for details.

**NOTE:** Pneumatic cylinders on seating are included under the HON Limited Lifetime Warranty.

Clarification: The *ilira*®-stretch back is not considered to be fabric but a structural component of the *F3*™, *Nucleus*™, and *Ceres*™ seating models, is included under the HON Limited Lifetime Warranty.

### Limitations involving particular product lines, materials and components:

The particular product lines, materials and components listed below are covered according to the following schedule from the date of sale:

<b>Twelve Years</b>	Wood seating and electrical components (lamps and ballasts are not covered).
<b>Ten Years</b>	Laminates, Signal seating fabric, seating controls, all components of <i>Accomplish</i> ® Series (including chair desks, student desks, student chairs, and student desk accessories), <i>SmartLink</i> ™ Student Desk, <i>Proficiency</i> ®, and all components of Cafeteria Tables.
<b>Five Years</b>	Glides, casters and polymer-based components, stacking chairs, folding chairs, ETA storage cabinets, user-adjustable worksurface mechanisms, panel and seating upholstery fabrics, foam, veneer finishes and other covering materials, track file track and rollers, projection screens and projection screen accessories.

### Exclusions:

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Damage caused by the carrier in-transit, which will be handled under separate terms.
- Modifications or attachments to the product that are not approved by The HON Company.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.
- Products used for rental purposes.

### Seating Usage

Normal commercial usage for seating is defined as the equivalent of a single shift, forty (40) hour workweek. To the extent that a seating product is used in a manner exceeding this, the applicable warranty period will be reduced in a pro-rata manner (except for Models H7604, H7624, H7734, H7754, and 3500 Series Intensive Use chairs, which are warranted for multiple shifts).

*Versant*® Tandem Seating models are warranted for multiple shifts and carry a 350 pound rating (350 pounds per seat for models with more than one seat). *Versant*® Bariatric models HHCB50 and HHR50, are warranted with a 500 pound rating.

*Ignition*™, *Nucleus*™, and *Ceres*™ Seating models are warranted for normal commercial usage as defined above and carry a 300 pound rating (300 pounds per seat for models with more than one seat).

### A word about color variations, fabrics and finishes:

Some natural variations occurring in wood, leather or other natural materials are inherent to their character, and cannot be avoided. Therefore they are not considered defects. The HON Company does not warrant the color-fastness or matching of colors, grains or textures of such materials. Customer's own materials (COM) selected by and used at the request of a user are not warranted.

TO THE EXTENT ALLOWED BY LAW, THE HON COMPANY MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE HON COMPANY WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

### Notice to purchasers for home or personal use:

Federal law does not permit the exclusion of certain implied warranties for consumer products. Therefore, if you are purchasing this product for home or personal use, the exclusion of implied warranties noted in the above paragraph does not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This warranty applies only to products sold within the United States of America and the Commonwealth of Canada.

### To obtain service under this warranty:

Your HON Dealer is our mutual partner in supporting your warranty requests. By following the procedures outlined below, you can be assured of the best level of service.

1. Contact the Dealer from whom the product was purchased within 30 days of discovery of the defect. Be prepared to affirm you are the original purchaser of the product and to provide the serial number(s) from the product in question.
2. Your Dealer will gather all pertinent information regarding the claim, inspect the product and contact a HON Company customer service representative. (Please allow a reasonable amount of time for inspection and review.)
3. If The HON Company affirms that the product in question is eligible under the conditions of the warranty as stated above, the customer service representative or another representative of the Company will determine whether to provide replacement parts, authorize repairs or replace the product.

## LIMITED 5-YEAR WARRANTY

The HON Company promises to repair or replace any *basyx*™ by HON product or component that is found to be defective in material or workmanship within five (5) years from the date of original purchase so long as you, the original purchaser, still own it. This is your sole and exclusive remedy. This warranty is subject to the provisions below. It applies to product manufactured after July 1, 2004.

### Limitations:

- Upholstery on chairs is warranted for two years from date of purchase.
- Damage caused by the carrier in-transit is handled under separate terms.

### Exceptions:

- Pneumatic cylinders on chairs are warranted for so long as you, the original purchaser, still own the chair.

### Exclusions:

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Modifications or attachments to the product that are not approved by The HON Company.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.
- Products used for rental purposes.

### Seating Usage

Normal commercial use for seating is identified as the equivalent of a single shift, forty- (40) hour workweek. To the extent that a seating product is used in a manner exceeding this, the applicable warranty period will be reduced in a pro-rata manner.

### A word about color variations, fabrics and finishes:

The HON Company does not warrant the color-fastness or matching of colors, grains or textures of covering materials.

### Customer's Own Material (COM)

Not available on *basyx*™ by HON product.

TO THE EXTENT ALLOWED BY LAW, THE HON COMPANY MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE HON COMPANY WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

### Notice to purchasers for home or personal use:

Federal law does not permit the exclusion of certain implied warranties for consumer products. Therefore, if you are purchasing this product for home or personal use, the exclusion of implied warranties noted in the above paragraph does not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This warranty applies only to products sold within the United States of America and the Commonwealth of Canada.

### To obtain service under this warranty:

Your *basyx*™ by HON Dealer is our mutual partner in supporting your warranty requests. By following the procedures outlined below, you can be assured of the best level of service. Please note: Consent of The HON Company must be obtained before any warranty work is performed. To obtain consent, please take the following steps:

1. Contact the Dealer from whom the product was purchased within 30 days of discovery of the defect. Be prepared to affirm that you are the original purchaser of the product and to provide the serial number(s) from the product in question.
2. Your Dealer will gather all pertinent information regarding the claim, inspect the product and contact a HON Company customer service representative. (Please allow a reasonable amount of time for inspection and review.)
3. If The HON Company affirms that the product in question is eligible under the conditions of the warranty as stated above, the customer service representative or another representative of the Company will determine whether to provide replacement parts, authorize repairs or replace the product.

**ORDER PROCESSING**

Orders will be processed more efficiently when placed via fax. Orders must only contain HON brand product.

**Order Entry**

Upon receipt of order, a 24-hour order entry turn-around time is achieved, provided the order is complete and accurate with pertinent information needed. Weekends and holidays are not included in the 24-hour count. Failure to provide The HON Company with correct colors, models, etc. may result in a delay in processing the order.

**Missing Information**

Orders missing information will result in The HON Company contacting you via fax/phone and processing will not be completed until after an answer/response is received.

The most frequent pieces of missing information causing delays in order processing are:

- Customer code numbers
- Drop ship phone numbers
- Bid sheets
- Invalid model number
- Invalid/discontinued color
- Missing complete color code

*Examples:* Frame color on chair  
Paint color on steel desk

**Acknowledgement**

An acknowledgement will be faxed/mailed the evening after order entry to Dealers unless the order is placed on credit hold or other hold. The order cannot be acknowledged until the hold is released.

Dealers are strongly advised to review these acknowledgements immediately to reduce the impact of order processing errors. All order changes must be communicated to The HON Company by the end of the next business day following the faxed acknowledgement.

After the order confirmation window, The HON Company will schedule production. Order changes after the confirmation window may not be possible.

**Mark For**

In an effort to reduce overall administrative costs and efforts to everyone involved, The HON Company does have the ability to mark each carton with your individual PO #s which can allow you to group orders under one "blanket P.O.", reducing invoices, shipping paperwork, acknowledgements, etc. If you would like assistance with order placement or order management, please contact HON Customer Service.

**Terms**

For Sales and Purchasing Terms and Conditions refer to The HON Company's *Sales and Discount Policies*.

**PURCHASE ORDER**

The Purchase Order on the following page is provided as a guideline to the information required when placing an order. Feel free to copy the Purchase Order document on the following page and use it to compile and fax your order to The HON Company. Order electronically 24 hours-a-day, seven days-a-week at [honready.hon.com](http://honready.hon.com).

**EDI**

The HON Company has Electronic Data Exchange (EDI) capability and encourages your participation. Please contact HON Customer Service for details.

**HOW TO SPECIFY**

Specification instructions can be found on page 12 as well as on each product page.

**HON. DAILY**

Nationwide CS Phone  
**800-833-3964**

**HON Daily makes it easy**

Small business owners get pulled in many directions on a daily basis. When they find a trusted resource that can take one of their tasks off their plate, they welcome the help. You can be that resource for small business clients.

Meet HON Daily, a comprehensive office furniture program that caters to small and medium-sized businesses. In the past, these clients have been a challenge. They typically buy less furniture, yet require a higher level of service. Not anymore. HON Daily streamlines the buying process, making it easy for customers to specify and buy HON furniture. You'll complete small orders more efficiently — and make more money doing it.

For a complete list of products, finishes and terms visit the HON Ready Dealer Portal at [honready.hon.com](http://honready.hon.com) or refer to your HON Daily selling tools.

### HON Integrated Design Solutions

#### Need design assistance? We can help!

Our expert design staff will create a professional design package that is sure to put you one step ahead of the competition. And the best part is it's free\*!

#### Audit

We will check your drawing and parts list for accuracy. We verify quantity, specification accuracy, product compatibility and structural support.

#### Furniture Plan & Specification Package

We will provide a professional design package including a CAD furniture plan, 3-D line drawing and complete parts list based on the rough sketch and work order forms you supply.

#### Value Engineering

We will optimize workstation layouts and propose potential cost saving measures to help your customer save money and make you more competitive and profitable.

#### Photo-Realistic Rendering

We will create a photo realistic of your furniture plan to help your customer visualize what their desired office space will look like.

#### \*Space Planning — Chargeable Service

Let our team do the creative work for you. Our low rates and expert staff will create a furniture layout and design that best suits your customer.

**Submit your request on the HON Ready Portal at [honready.hon.com](http://honready.hon.com), Integrated Design Solutions**

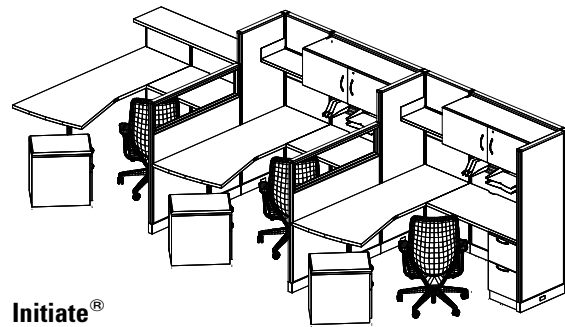

#### Turn Around Time

1-3 business days depending on complexity and size of your project.

## Custom Warranty Exclusion

If the Company agrees to use the Tailored Fabrics (COM) on HON brand products, or, build a custom product:

- The Company shall have no responsibility for the condition, quality, value, performance, physical properties, or any other aspect of the Tailored Fabrics (COM).
- The Company shall have no liability for any damages, injuries, or losses to the customer or to any third party that shall be caused by any Tailored Fabrics (COM), and the customer shall hold the Company harmless for all liability.

## Tailored Fabrics (COM) Policy Information

The HON Company assumes no responsibility for the overall appearance, flammability, normal durability, colorfastness or any other quality of the Tailored Fabric (COM) after its application on a HON product beyond normal quality standards. The HON Company reserves the right to reject a Tailored Fabric (COM) if the quality of the Tailored Fabric (COM) is not satisfactory for the product. Should this occur, the customer will be notified with an explanation of the problem. For complete Tailored Fabric (COM) warranty information, refer to the Terms and Conditions in the pricer.

## Tailored Fabrics (COM) Manufacturing Feasibility

Purchase orders will not be accepted or entered unless Manufacturing Feasibility testing is complete with positive results.

If all testing has been previously completed, re-testing is not necessary unless maximum size of items has increased, fabric is to be used on a different model, or direction has changed from that previously approved. Contact Customer Service to obtain information on previous test results.

If the Tailored Fabric (COM) has not been tested and approved, the dealer must supply the following:

- A completed Tailored Fabric request.
- A sample of the Tailored Fabric (COM) for manufacturing feasibility. Tailored Fabric (COM) samples sent directly from the supplier must be tagged with "Customer Service Tailored Fabric (COM) Expediter" and the HON dealer or specifier's name (whichever is applicable) and the verbiage "for testing".

The completed Tailored Fabric request and Tailored Fabric (COM) testing sample **MUST BE** submitted to the Customer Service Tailored Fabric (COM) Expediter for processing.

**Tailored Fabric (COM) Samples without an accompanying completed Tailored Fabric request will not be accepted.**

**Tailored Fabric (COM) Data Sheet must specify whether the fabric is to be railroaded or pattern cut. Fabric will be applied pattern cut when not specified.**

### Material Requirements for Testing:

Testing material required to determine manufacturing feasibility:

#### Systems Product:

Please specify whether the yardage sent in is for test on panel, flipper door, tackboard, etc.

Panel.....	5.0 yards
Tackboard.....	1.5 yards

#### Seating Product:

Each Model and Color.....	0.5 yard
---------------------------	----------

**Note: All fabric for testing** sent direct from supplier must be tagged with the dealership's or specifier's name (whichever is applicable) and sent to the attention of the Customer Service Tailored Fabric (COM) Expediter — "Tailored Fabric (COM) Test."

**Untagged fabrics will be rejected.** No samples will be returned. **Do not send in more material than is required for testing.**

### Testing Time Requirements:

**Wood Seating and Systems product testing requires 7 working days** (includes testing for panels, tackboards, and overhead storage cabinets).

**Steel Seating product testing requires 7 working days.**

### Testing Requirements for Flame Retardant Construction

The customer is responsible for ensuring that the Tailored (COM) fabric is certified to meet all flame retardant requirements. For Tailored (COM) seating fabric needing the CAL133 Burn Test, there is a \$500 test cost. The fabric must be furnished by the Dealer and the chair must be purchased from The HON Company at Grade III cost, but any Tailored Fabric (COM) upcharge will be waived for the purpose of test. Credit will not be issued for the test chair. All other Tailored (COM) seating fabric must meet a minimum of CAL117 requirements.

When the testing has been completed, the HON dealer will be notified by Customer Service of the test results. An approved Tailored Fabric (COM) will be assigned an approval tracking number and a Tailored Fabric (COM) Special ID (SID) along with the producing location's address.

### Tailored Fabric (COM) Lead Time

Ship dates will be based on fabric receipt and The HON Company product standard lead time at time of actual entry of order. All fabric must be properly tagged and shipped to the appropriate location. Production schedules will not be finalized until fabric yardage for manufacturing is received.

### Tailored Fabric (COM) Ordering Information / Shipping Information

Before ordering the Tailored Fabric (COM) from a supplier, the customer must contact Customer Service to determine if the Tailored Fabric (COM) has been tested/approved for use on HON Systems or Seating product. Systems and Seating product must be approved for each model and color. **ORDERS INCLUDING TAILORED FABRIC (COM) THAT HAVE NOT BEEN PRE-APPROVED WILL BE CANCELLED IF APPROPRIATE INFORMATION IS NOT RECEIVED IN 30 DAYS.**

If the Tailored Fabric (COM) is approved for use, a tracking approval number and Tailored Fabric (COM) identification will be provided by Customer Service. These numbers must appear on all purchase orders using the Tailored Fabric (COM). If the dealer or specifier is ordering the Tailored Fabric (COM), the tracking approval number and Tailored Fabric (COM) SID must be included on the packing list prior to The HON Company receiving the Tailored Fabric (COM).

The Company will make every effort to locate mis-directed Tailored Fabric (COM) fabric shipments on behalf of the customer. However, the Company will not be responsible for any Tailored Fabric (COM) fabric received without a tracking number or incorrectly shipped by the fabric vendor to an incorrect HON Company facility.

### Tailored Fabric (COM) Ordering / Shipping Requirements

- Yardage requirements for manufacturing:
  - To determine yardage for Tailored Fabric (COM) product, refer to the list pricer current at time of order entry for yardage tables. Patterned fabrics may not necessarily comply with the yardage tables. Once fabric has been tested contact the Customer Service Department to determine actual yardage required. The HON Company bears no responsibility for the cost of any additional yardage required. All fabrics are inspected for flaws and adequate yardage; however, The HON Company cannot be responsible for defects, color inaccuracies or other flaws should they occur. Customers are notified of any defects or shortages. **Excess yardage will be disposed.**
- Customer purchases and supplies the Tailored Fabric (COM) fabric.
- **Product is priced at Price Code III and incurs a 10% list upcharge (all standard discounts/competitive project pricing applies) per Tailored Fabric (COM) (each pattern) per order.**
- The following information must appear on or accompany the product purchase order:
  - Approval tracking number and customer's purchase order number
  - Tailored Fabric (COM) supplier, pattern and color name/number
  - Who is ordering the Tailored Fabric (COM) for manufacturing
- The packing list for the Tailored Fabric (COM) must include the following information when HON receives the shipment for production:
  - HON dealer name
  - Purchase order number submitted to The HON Company
  - Fabric name
  - Yardage shipped
  - Approval tracking number

**PRODUCT RECEIVED WITHOUT THIS INFORMATION WILL NOT BE ACCEPTED. CONTACT COM EXPEDITER FOR COM SHIPPING INSTRUCTIONS.**

### Product Modifications

The HON Company, at its own discretion, may modify its standard products to meet specific needs.

List prices contained in published list pricers are for standard catalog items only. Changes or alterations to catalog items other than those listed as catalog options are subject to additional charges. Pricing will be furnished upon request. For complete program details, access Tailored Solutions on the HON Ready Portal at [honready.hon.com](http://honready.hon.com).

Modifications include Tailored Fabrics (Customer's own material) for seating and panels; special finishes (paints), laminates and structural modification to existing standard product.

#### Lead Times:

Lead Times on orders containing "product modifications" are subject to production capacity and material availability. When possible, customers should order "specials" separately to avoid extended lead times for other products. Inquire with The HON Company Customer Support Department for lead time information on desired specials.

To submit your special requests, log-in to the HON Ready Portal at [honready.hon.com](http://honready.hon.com) and click on the Tailored Solutions link.

For questions on product modifications please contact HON Customer Support.

## Graded-In Fabric Information

### Select Textiles

Select Textiles is the result of The HON Company's partnership with textile industry leaders CF Stinson, Maharam, Momentum and Ultrafabrics, LLC. The extensive collection of design-driven upholstery fabrics create a superior offering at a great value. Select Textiles significantly updates HON's offering, expanding it with fresh and exciting fabrics.

- Fabric Warranty: Select Textiles are covered by HON's Limited Lifetime Warranty.
- Lead-times: Orders specified with Select Textiles will be acknowledged based on standard HON product lead times.
- Availability: HON will regularly introduce new Select Textiles and reserves the right to change the offering at any time.
- Fabric Samples: Select Textiles are carded jointly by HON and the supplier.
- Fabric Memo Samples: Please contact the supplier directly for memo samples:  
CF Stinson: (800) 841-6279  
Maharam: (800) 645-3943  
Momentum: (800) 366-6839  
Ultrafabrics: (877) 309-6648
- Find fabric designators and series availability on pages 442-445, 452-453 and 476-477.

### Smart Textiles

HON also offers its products in pre-approved fabrics from CF Stinson, Maharam, Momentum and Ultrafabrics, LLC. Simple to specify, these fabrics have been tested to HON's Tailored Fabrics (COM) criteria for manufacturing feasibility. Each Smart Textile has been given a HON fabric designator and grade to make the ordering process convenient. You select the fabric and HON delivers a hassle-free experience. For a complete listing, please visit [HONSmartTextiles.com](http://HONSmartTextiles.com).

- Fabric Warranty: Smart Textiles are non-standard materials and are considered Tailored Fabrics (COM). Tailored Fabrics (COM) selected by and used at the request of a user are not warranted.
- Lead-times: Orders specified with Smart Textiles will be acknowledged based on the fabric supplier's delivery schedule.
- Availability: Maharam and Momentum reserve the right to discontinue patterns and colors from this program.
- Fabric Memo Samples: Please contact the supplier directly:  
CF Stinson: (800) 841-6279  
Maharam: (800) 645-3943  
Momentum: (800) 366-6839  
Ultrafabrics: (877) 309-6648

The HON Company has established paint grades to allow customers flexibility and ease in doing business with HON. HON has three paint grades Core, Choice and Custom.

**Core Paint Colors**

HON has established core paints which are available on all core products. Core products are identified throughout the pricer by the symbol ©. The core colors are Black, Carob, Charcoal, Greige, Light Gray, Muslin, Putty, and Taupe.

**ColorCorrect®**

In addition to the eight core colors and two metallic colors, HON offers the ColorCorrect program. Under The ColorCorrect program customers can order 32 of the industry's most popular colors. Still can't find the color that is just right for you? Ask for a custom color.

**Choice Paint Colors (Industry Standard)**

The HON Company has matched 32 of the industry's most popular paint colors. HON has also introduced two Metallic colors, Champagne (T4) and Platinum (T1). These colors have HON codes assigned to them and are available on specified HON brand metal casegoods. Please see individual pricer pages for eligible series and up charges for Choice paints. Choice paints are listed in the pricer pages under the column Choice/Metallic. Up charges vary by product (all standard discounts/competitive project pricing applies). No minimum quantity required. When ordering, designate with a "2" at the end of the model number. If you are matching existing office furniture and are unsure of the name or if the color is a match, a painted metal sample is available upon request from HON Literature Fulfillment.

**Custom Paint Colors**

With The HON Company's state of the art color matching equipment just about any color can be matched. A sample of the exact color desired is required for matching and approval. An exception to this match/approval process is if an existing Sherwin Williams® or PANTONE® color code is provided, a painted metal match sample can be produced for customer review and approval. HON will match and provide a production sample for the customer to review and approve. Once the signed paint sample is received at HON the order will be entered. Please see individual pricer pages for eligible series and up charges for Custom paints. Custom paint prices are listed in the pricer pages under the column Custom. Up charges vary by product (all standard discounts/competitive project pricing applies). No minimum quantity is required. For complete program details, access Tailored Solutions on the HON Ready Portal at honready.hon.com.

Some custom colors could fall outside of this program due to production costs or not meeting HON quality standards. This could include Sherwin Williams developed colorants. The HON Company may apply additional charges to some colors which are costly to apply, and deny some orders on colors that cannot meet our high quality standards. We will notify the customer upon completion of our evaluation if a change in price is required or if the order is denied. When ordering, designate with a "3" at the end of the model number.

Core Paint Color	Code
Black	<b>P</b>
Carob	<b>T8</b>
Charcoal	<b>S</b>
Greige	<b>T5</b>
Light Gray	<b>Q</b>
Muslin	<b>T3</b>

-  Product shipped four to a carton.
-  Fire Code
-  Core Product Line
-  Product scheduled for discontinuation.
-  Indicates product that is not included on GSA contracts.
-  Indicates New product.

## CLEARING THE AIR.

## Environmental Statement

In 2006, The HON Company became the world's first office furniture manufacturer to have products certified by the Indoor Advantage™ Program. Virtually all manufactured products emit chemical compounds into the air. Indoor Advantage evaluates these compounds to help improve the air quality within enclosed indoor environments.

Developed by Scientific Certification Systems (SCS), Indoor Advantage subjects products to specific indoor air quality standards. Further, Indoor Advantage tests individual components as well as overall assemblies, and provides detailed analysis of a comprehensive range of all chemicals rather than simple pass/fail for only the most common. This enables us to help our suppliers reduce the environmental impact of their products and processes, too.

SCS offers two levels of certification:

SCIENTIFIC CERTIFICATION SYSTEMS

**Indoor Advantage™** certifies conformance with LEED-CI criteria for EQ4-5, as well as BIFMA X7.1 Low-Emitting Furniture and Seating.

SCIENTIFIC CERTIFICATION SYSTEMS

**Indoor Advantage™ Gold** certifies additional conformance with California 01350 Special Environmental Requirements and Collaborative for High Performance Schools (CHPS).

### On the level™

level, the BIFMA e3 sustainability standard, was developed in response to the increasing demand for proof that manufacturers are living up to their environmental claims. level Certification is based on four sustainability attributes: Materials, Energy and Atmosphere, Human and Ecosystem Health, and Social Responsibility.

The HON Company has received level™ 2 certification for 60 product lines. That means more than 80 percent of our product volume has earned this important certification.

the BIFMA sustainability standard

the BIFMA sustainability standard

The level certification is a multi-attribute certification label for products that have met environmental, social and quality standards.

Laminate Caseworks and Systems are certified as a typical workstation. Individual models contribute to the overall workstation certification.

Products that meet these specifications are identified throughout this publication with the following icons:

-  Certified **SCS Indoor Advantage™** See page 11.
-  Certified **SCS Indoor Advantage™ Gold** See page 11.
-  Complies to the **BIFMA e3 Sustainability Standard.** See page 11.
-  Complies to the **BIFMA e3 Sustainability Standard.** at the specified rating. See page 11.

See Nature Core story for panels — page 273.

## GSA Contract Information

Model numbers identified with the verbiage **“Open Market”** are not offered on HON's GSA contract GS-27F-0015S. Model numbers identified with the following verbiage **“Must be purchased with a configurable end product. If ordered separately, not on GSA contract”** is to mean that these configurable components or options:

- Have no functionality or capability without being integrated into an end product, and
- Are not separately orderable; an eligible Schedule ordering activity may only purchase them with a configured system that is on contract.

► The listings below are intended to show product, fabric, and finish additions from your 7/1/2010 HON List Pricer.

**ADDITIONS: PRODUCTS, FABRICS AND FINISHES**
